

# Greater Toronto Council Volunteer Opportunity

Greater Toronto Council is looking for a group of volunteers that are excited about the Canadian Path and are willing to help in the implementation efforts especially over the next year and a half, with continual efforts over the next 3 years.

Scouts Canada is embarking on a new journey and we're looking for your help in bringing great Scouting Adventures to more youth in our Council. Join us on the Canadian Path as we launch the next great chapter in Canadian Scouting. Working together as one Scouts Canada, we will not only revitalize our Scouting programs, we will revitalize Scouting in Canada.

The ideal candidate has experience facilitating youth-led programming, is good at strategic planning and has innovative ideas about program revitalization for Canadian Scouting. Please provide your Scouting resume and any other pertinent information that the selection committee may find useful.

Please send applications to Spencer Julien, Council Canadian Path Ambassador, at [spencer.julien@scouts.ca](mailto:spencer.julien@scouts.ca) by January 30, 2016.
