

Hi Campers and Parents,

Thank you for choosing to spend a week or more with us this July! In 2017, Camp Adventureland is celebrating 47 years of operation and during that time, thousands and thousands of campers like you have participated in our programs. This confirmation package will give you all of the information you will need for camp this summer.

Medical Information

If you have not already done so, please complete the medical form by clicking on the link below.

[Camp Adventureland Medical Form](#)

The form can also be found on our website.

THIS INFORMATION MUST BE RECEIVED PRIOR TO YOUR CHILD ARRIVING AT CAMP.

Upon check-in, all medication should be turned into the Camp Nurse or Camp Registrar. Campers will keep Ventolin Inhalers and Epi-pens/Ana-Kits for life threatening allergies in their personal day pack. We request that campers with Epi-pens bring at least two kits (three if possible).

Please ensure ALL medications are brought to camp in the original containers and clearly marked with your child's FIRST and LAST name along with instructions for dosages. **Dosette boxes filled with medication cannot be accepted.** Please be sure to check expiration dates on all medications.

We urge you to pay particular attention to our kit list and ensure that all of your child's gear is labelled with your child's last name (not just initials).

We would recommend that everything is packed in one bag (e.g. hockey bag) to avoid items getting misplaced rather than several bags. Please do not pack gear in garbage bags.

NO ELECTRONIC GAMES OR CELL PHONES PLEASE!!!!

Lost and Found

Despite our best efforts, the camp still compiles a quantity of lost and found each summer. To help prevent this, please ensure your child's gear (all of it) is clearly labelled. All items collected during the week will be available for viewing at pick up on Friday. Please look through these items before taking your child home. We will contact you for any items that are considered valuable that are labelled and lost. You can call the camp at 905-888-1786 in July to make arrangements to pick up items. In August, you will need to make contact with the Camp Ranger to obtain any lost items. He can be reached through the Scout Office at 416-490-6364 ext 233. Any items that are not obtained by Labour Day will be washed and donated to a charity.

Homesickness

A child's first trip to summer camp is a great experience; however there is always the possibility of separation anxiety (home sickness). Our experience has indicated that this can be eased or lessened in a few ways and our staff are prepared and very sensitive to this issue and will work closely with any child who experiences homesickness. A phone call home usually aggravates the feelings of homesickness. Rather than encouraging your child to phone, we recommend sending a family photo to camp with them and writing them a letter. Here are some other ways to send your child "mail" while they are at camp:

- Items that have been clearly marked with your child's name can be given to our staff on Monday morning at check in for delivery later in the week.
- Emails can be sent to adventureland@scouts.ca. Please put your child's name in the subject line. These will be printed and delivered once a day. We'll even send back any responses!
- If you wish to use Canada Post, send your letters early in the week or even the week before they go to camp, to ensure prompt delivery to the following address:

(Child's name)
Camp Adventureland
c/o Woodland Trails Camp
14919 Kennedy Rd.
Stouffville, Ontario
L4A 7X5

While your child is staying with us, we will make every effort to ensure that any letters or care packages are hand delivered to your child.

We would like to extend an invitation to all parents and campers to join us for our End of Camp campfire on Thursday July 27th beginning at 7:30pm. Please park in the front parking lot and our staff will accompany you to the campfire area. If you plan to attend, please email us at adventureland@scouts.ca.

If you have any unanswered questions or concerns, please contact our Camp Administrator, Deb Kaffer, rather than waiting to talk to us at check-in Monday morning as it can get quite busy. This includes any special needs you wish to bring to our attention about your child. She can be reached by email at adventureland@scouts.ca or by phone at 416-490-6364 ext 300 or during camp in July at 905-888-1786.
